Use logical reasoning to solve problems

»

Obtain a DEC in Science

Ð \ u Ã ,
you.

Dreaming of a career in medicine, dentistry or health science? This program is designed for students with a particular interest in biology and chemistry.

The program is designed for students with a particular interest in science disciplines. The second year allows students to go deeper into disciplines related to health science. They will take the prerequisite courses for medicine: Human Anatomy and Physiology; and Organic

Health and Life Sciences at Dawson was the perfect preparation for university. It gave me the opportunity to learn, become autonomous, have fun and make life-long memories and friendships.
