- ‡ Can this support be provided remotely (e.g., for the preparation of material for an oral presentation) with the physical guide?
- ‡ Is it possible for a family member, a CLSC worker or a person living with the student to take charge of the support?
- ‡ Is it possible that in the context of distance learning, the student no longer requires physical support since assessments will be carried out online, as well as the reading and the listening to the courses (based on the organization of classes)?
